GYM CLOSURES

JUNE 29TH– SATURDAY
JULY 4TH– THURSDAY

There are no make ups for these days as they are figured into the 52 week year.

Junior Ninja Class

In addition to Ninja Games, we offer a special class for boys (only) age 5-11 utilizing ideas from our game events. We know that boys like to run, jump, climb, swing, bounce off things and get their energy out. This class is perfect for those boys and for building physical fitness beneficial for all sports. Current session runs for 8 weeks starting May 31. You can start mid session if there is space!

FLEXI-SCHEDULE

Gymnastics is not the type of sport you can walk away from for the whole summer and expect to have the same skill level when you return. But we understand that families might travel or visit during summer break. Instead of dropping out for the whole summer, use our Flexi-Schedule option! Between June 1 and August 31 there are 13 weeks. Monthly students can decide to attend any 6, 8, or 10 of those weeks. Use the yellow flier and chart to pay the first week of June and you're set for the summer! We'll keep track of your classes for you. *Note: this is just an option, you can still pay for each month as normal.* ***Preschool Session students will get a similar option at the end of current session: June 26-August 31 has 9 weeks, choose 6 or 8 (flyers out soon).***

SUMMER CAMP

This year we will be offering 3 full weeks of summer camp!
During camp we will be doing all of the gymnastics events such as bars, vault, beam, floor, trampoline. We will also have a chance to do all of the fun events that are special to Gym North like the super swing, monkey maze, bungee, ring swing and more. This camp is for ages 3 to 13 no prior experience required! Invite your friends to join too!
June 17-21 July 15-19 August 5-9
Time is 9:00-2:00
Cost is $185/week or $45/day
Sibling discount is $10 off per day!
Sign up now to get the weeks you want!
Campers need to bring a snack, lunch and a bottle of water.

Move-Up Night

When we give you a notice to attend Move-up Night it's a big deal! This means your student is ready to pass a test and receive a certificate, maybe move to a new class. Please try to attend. Next one: **July 12th 5:30pm!**
